

Player Cards

All teams must have valid Player Cards also known as USSF Member Pass. These cards are issued by your Club or Association Registrar. Cards are also required for each coach and team manager. The cards must have a photo of the player or adult and should be laminated.

Cards are to be presented to the referees prior to every game. If cards are not present, it will result in the referee forfeiting the game.

Report Match Score

The team manager or coach is responsible for reporting the score within 48 hours of the match. To report the score, go the NPSL website, click on Schedule, then find your division. You will then click on your team name hyperlink and Log In to your Team Page. Upon logging in, you will be given the option to report the score as shown in the screen captures below. If you have not logged in before, you will need to request a PIN number, which will only be emailed to the contacts listed for the team (coach or manager).
